

It is my honor to endorse Pat Tillson in her campaign for election to the Nether Providence Township Board of Commissioners to represent residents of Ward 6.

As a current member of the Board of Commissioners, I have had the opportunity to work closely with Pat in her role as a member of the township's Planning Commission for the last four years. I have observed her to be a hard-working and thoughtful person who brings a great deal of common sense and good judgment to bear on the important issues that come before the Commission. She is someone who is easy to work with and who is not afraid to raise issues or ask hard questions.

As a long-time resident of Nether Providence Township, Pat knows our community well and is dedicated to making it an outstanding place to live. She is someone who will listen to the concerns of her constituents and work conscientiously to make sure that those concerns are addressed. I heartily endorse her candidacy.
